

Setup for a Playback Show

**“Playback Show” means:
Vocals are live! All instruments are playback!**

List of needed equipment:

Vocals

- 4 Microphones (cable or wireless)
- 4 Microphone-Stands, Microphone cable

Instruments

- Keyboard Stand [see picture A]
- Playback Drumset [see picture B]

Playback

- CD-Player

Monitoring [see picture C]

- 4 Floor-Monitor Boxes

PA (Front Boxes, Amplifier)

- The Organizer must provide an Amplifier and Front Boxes appropriate to the size of the location. (Please keep in mind that an amplification used in theaters is often NOT powerful enough! If you are unsure about the PA, contact us at info@thesmu.com)

Line Mixer

- Line Mixer for Microphones and CD-Player

Equipment provided by THE SMU:

- Electric Guitar, electric Bassguitar, 2 Keyboards

Important Information:

- Set up of the PA (Front Boxes, Amplifier) has to be done by organizer!
- Set up of the PA must be finishes 4 hours before start of the show!
- THE SMU needs up to 3 hours time for sound check and set up!

Nice to have:

- Light Show

- Pyrotechnics / Fireworks

- Dancers, Show Act
